THE PASSING SCENE — Illinois Bell Telephone switchboard operation in Antioch will become a thing of the past on Aug. 20 when the shift is made to dial phones. The dial system will be headquartered in the new Illinois Bell building at 531 Lake Street.

Hello Girls to Say Goodbye

Illinois Bell Telephone Company's famed "hello" girls will give way to progress in Antioch in the small hours of Aug. 20 when the automatic dialing system goes into operation here.

The change-over will take place at 2 a.m. that date when the switchboard operation on Victoria Street becomes history. The all-dial system will be headquartered in the spanking new Bell building at 531 Lake St.

Months of preparation have gone into the technical aspects of the change-over to dial, according to Don Hood, Bell manager here. It means a whole new numbering system for every phone user in the area in a gigantic move which will eventually see the complete installation of new numbers for every phone customer in this country.

Under the new system, letters will not be used. Seven numbers will constitute a telephone number, the first three indigenous to each phone in a given area with the last four serving as individual call numbers.

The three prefix numbers for Antioch are 395. The following four numbers to be dialed will be those assigned to the phone being rung. In addition, for purposes of long distance calling, the country has been divided into sectors. Antioch is in sector 312, which extends west from Lake Michigan and south from Wisconsin down to south of Chicago.

Thus, to call anyone in this sector, the user merely dials the three prefix numbers—395 for Antioch—and the remaining four numbers assigned to the phone being called. For instance—395 4111, which will be the new number of The Antioch News as of Aug. 20.

For long distance, a call coming from out of the 312 sector—for instance, coming to The Antioch News from San Francisco—the west coast caller would dial 312 395 4111.

A skilled user can dial a number here from California and get his party (if the party skips nimbly to answer the phone) in less than 15 seconds.

In preparation for the change-over, the telephone company will dump more than 18,000 copies of new directories at the Antioch post-office tomorrow morning at 10 a.m. for distribution to all Antioch area phone customers.

Postmaster Kufalk today told the News that his men will pull out all stops in delivering the new directories and they should be in the hands of users within two-three delivery days. This includes the

new rural mail delivery route opened last Saturday.

This route includes Crandall Subd., Linden Lane Sub., California Sub., all parts of Rt. 2 west of Emmons School, all of Chain of Lakes Subd. and Sabrina Manor.

And what about the 60-odd switchboard operators—the trusty "hello" girls? As has happened so often in the past when automation has swept out the old, these employees will be absorbed in the utility's new operation.

Some will retire. However, those desiring to remain will be retained by Bell either in the local office or in surrounding dial areas with large operator centers such as Libertyville, Highland Park and Waukegan.

Leaves for Germany To Visit Birthplace

Leonard Kohl, of Felter's Subd., left last Saturday for a visit to Nuremberg, Germany, his first visit to the land of his birth in 31 years.

Kohl flew by jet direct from Chicago's O'Hare International Airport to Frankfurt, and expects to visit relatives in Bavaria until Aug. 19, when he will return home. He was born in Hof, Germany, and has five sisters and two brothers still residing in that area.

Mr. and Mrs. Kohl have lived in Antioch for the past eight years and came here from Forest Park. They are the parents of Mrs. Anne Sticker, Antioch; Mrs. Pat Woodral, Fox Lake; Mrs. Betty Bogart, Little Rock, Ark.; and a son, William, living at home.

Vets, Widows Urged to Recheck Expected Income

Veterans and widows in receipt of a non-service connected pension benefit from the U. S. Government were urged this week by Administrator Ralph B. Johnson of the Illinois Veterans' Commission to recheck the amount of income they have received or expect to receive for the year 1961. Since pension is payable based on the anticipated income of the individual for the year 1961, a possible overpayment could be created should misjudgment occur. Pension is payable based on income limitations. If an individual's income for the annual period exceeds the income limitation, pension paid may be subject to recovery by the Government.

It was pointed out by Johnson that a timely notice of excessive or expected excessive income would result in discontinued payments effective as of the last payment. By this method of procedure there would be little chance of creating an overpayment.

All veterans and widows who have a question relative to this regulation or who may feel their income data has changed since anticipated last January, are urged to contact the nearest office of the Illinois Veterans' Commission.

In Lake County, veterans should contact the Illinois Veterans' Commission Office at 108 S. Genesee Street in Waukegan.

The office is open Monday through Friday between the hours of 8:30 a.m. and 5 p.m.

Here's How to Dial Under New Phone Set-Up

- 1—Look in the directory for the correct number.
- 2—Lift phone to ear and listen for the dial "tone." This steady humming sound indicates the equipment is ready for your call.
- 3—Place your finger firmly in the opening for the figure or letter (where exchange names are used) desired. Be sure to swing the dial around until your finger strikes the metal stop. Then, release the dial and allow it to return without interference.
- 4—Repeat this procedure until all the figures are dialed in proper sequence.
- 5—Dial all seven figures of the Antioch telephone number when making a local call.
- 6—Follow the same dialing procedures in long distance dialing, except that the three-figure area code for the city you're calling must be dialed first, followed by the 7-digit number at the distant point.

Lake Jaycees Formed; Plan Charter Night

Formal application for national charter was made Tuesday by the newly-organized Lake Region Jaycees, local chapter of the Junior Chamber of Commerce.

In a full evening of business, Jaycee members elected the following slate of officers for 1961-1962:

Robert Lubkeman, president; Robert Odden, external vice president; Edward Ring, first vice president; Eugene LaPlante, treasurer; Norman Heyne, Jr., secretary; and Gino Picchetti and Robert Costoff, directors.

Jaycee officials are currently planning a charter night banquet for the new organization, tentatively set for early fall, at which time the charter from the United States national Junior Chamber of Commerce will be presented to the group.

To qualify for charter, Jaycee chapters must have 25 paid up members. The local group has been assisted in organizational stages by the Waukegan Junior Chamber of Commerce.

Other major business conducted at the Tuesday meeting at Gino's Restaurant, Channel Lake, included establishment of a dues structure, approval of constitution and by-laws, and final arrangements for affiliation with the national organization.

The group will meet each Tuesday at 8 p.m. at Gino's between now and the charter night banquet, it was disclosed.

Organization of the group got under way early last spring when several businessmen under the leadership of Robert Lubkeman, acting as temporary president, saw a need for a young organization to serve the community.

"Membership in the Jaycees is open to all men between 21 and 35 who are interested in serving the community in a civic and service manner," said Lubkeman, who extended an invitation to eligible men to join the group.

Charter members as of August 7 are: Eugene LaPlante, Norman Heyne, Jr., Robert Odden, Robert Costoff, Donald Lubkeman, Daniel Adams, Robert Lubkeman, Gino Picchetti, Richard Huml, Maynard Allen, Victor Lubkeman, Edward Ring.

Several members joined at the Tuesday meeting, it was reported, with eventual membership estimated at more than 50.

Approximately 3,300 men in Illinois between the ages of 22 1/2 and 25 will be called for pre-induction physical examinations this month, according to Willard R. Manning, director of the Illinois Selective Service.

Manning said that men born in 1935 who have not reached the age the age of 26 will be called for examinations first. Those in succeeding age brackets down to 22 will be called next, Manning added.

Married men with children, men in reserve units and men holding jobs essential to defense, Manning said, will continue to be deferred. However, those deferred will receive questionnaires to determine if they still are 1-A.

Actual draft calls, Manning said, will be sent to 922 Illinois men in August.

In disclosing registration dates, Principal A. L. Dittman advised all new students to report at stated times. Failure to do so, he warned, might delay completion of the individual student's program in time for the opening of the fall term, Tuesday, Sept. 5.

Hoover Pinpoints Crime

In a recent message to all law enforcement officials, FBI Director John Edgar Hoover cited the mounting scourge of crime and called for stern action in courts and realistic administration of rehabilitative measures.

His message bears repeating. Said Mr. Hoover: Nothing discourages and disheartens law enforcement officers more than the knowledge that their efforts in apprehending criminals are too often no more than useless expenditures of time and money—useless because unwarranted leniency in the form of suspended sentences, parole, or probation so frequently makes a mockery of good police work.

Assuredly, we must continually strive to rehabilitate those persons who have strayed from lawful ways. On the other hand, consideration must be given to protecting society by isolating depraved individuals who have no respect for law and order or the rights of others. The scales of justice must be balanced.

Certainly, the principles of parole, probation, and other rehabilitative measures are good, but maladministration can nullify their worthwhile aspects. Conscientious, hard-working parole and probation officers, frequently underpaid and seldom able to discharge the heavy burdens placed upon them by the archaic clemency systems still existing in some areas, are just not equipped to cope with ever-expanding caseloads. Adding to their dilemma are some misinformed and misguided jurists and an apathetic citizenry who cause and condone the release of hardened criminals who gloatingly accept society's softness and repay it in the coin of treachery.

The realm of vice, which is the breeding ground for crimes of greater violence, is winked at in far too many instances. A recent preliminary survey on courts in a large city revealed, for example, that of almost 30,000 individuals arrested for lottery, numbers rackets, gambling, bookmaking, prostitution, and operating a disorderly house, 73 percent were discharged by magistrates! Out of well over 800 gamblers who pleaded guilty, only 12 percent ever went to jail. Fifty-eight percent were ordered to pay fines or costs—which have been correctly described as nothing more than license fees for gamblers. Two hundred and fifty others were given suspended sentences or placed on probation.

When vice, the very fountainhead of crime, is treated lightly, it is not difficult to understand why criminals do not fear the "wrath" of some of this Nation's courts. Inveterate criminals who prey on honest men and still escape punishment are encouraged in their disdain for law and go on to commit depredations of even more heinous proportions.

America is not a vengeful land, it is not a cruel land; but certainly something must be done to make it an internally peaceful land. Crime in 1960 rose 12 percent over the previous year, and in the first quarter of 1961 our country appears headed for a new all-time high annual record. The first part of this year shows an increase of 10 percent in crime in American cities, with a 9 percent jump in murders, a 2 percent rise in forcible rapes, and a 3 percent increase in aggravated assaults.

Between March 1950 and June 1961 there have been 154 individuals on the FBI's "Ten Most Wanted Fugitives" list. Of this number, 130 previously received either suspended sentences, parole, or probation. The leniency granted these vicious criminals resulted in untold suffering by their innocent victims.

For a peaceful and wholesome society, it is imperative that the rights of law-abiding citizens be given at least the same respect and consideration as the rights of lawbreakers. We can never hope to see crime abate until the perpetrators of evil deeds are taught the full meaning of the old adage, "Crime doesn't pay." Such a lesson cannot be taught by words alone; only stern action in our courts, involving a philosophy of making the punishment fit the crime, and realistic administration of rehabilitative measures can force back the criminal plague.

The Lid Is On

In the past few weeks Antioch and surrounding areas have hosted several carnivals, at least two circuses and one county fair. Now, as most everyone knows, these affairs are the traditional home of such games of skill and chance as bingo, chuck-a-luck, a bit of crap behind the end stall, and other divers games.

Yet, all of these events were "clean as a hound's tooth" as far as gambling is concerned.

We understand that several games popped into view during the early days of the fair, but were nipped in the bud by the law.

The lid is on, and we trust for good—or at least as long as the law says that gambling is illegal.

This may compel various social and veteran's organizations and a church or two to seek other means to raise funds, but in the long run it will make for a better spirit and a cleaner community.

It must seem ironical that citizens can't place 25 cents on the call of the cubes here when less than 30 miles away a million dollars a day changes hands during the height of the racing season. But such is the law.

And if the law says no penny ante, no penny ante it is, and we're all for it and the enforcement thereof.

Two People with Two Ambitions

We've never been great shakes at analyzing people and their motives, and from our lack of success in this field of endeavor for the past 20-30 years, we're just about ready to admit failure.

However, a reader or two may be able to supply an answer. If so, drop us a line.

This particular bit concerns two people—a Robert Thompson and a Herman Boettcher, both Army acquaintances, one living, one dead, both veterans of the Spanish Civil War, both terrific soldiers, both strong-willed men. The only difference—one died a patriot, the other is now in prison as a communist. Let's make it clearer.

But we're getting ahead of the story.

Back in mid-1942 when most of the country was awakening to the fact that we were in a war for survival, the 32nd Wisconsin National Guard Division was in the process of winning the first ground offensive for the allies in World War II in the steaming jungles of New Guinea at Buna, Papua.

The 1st Bn., 127th Infantry Regiment of the 32nd, was having a particularly tough time of it. The Japs wouldn't cooperate and were adamant in refusing to give up a Godforsaken section of beach.

The first wedge in their defenses was made by Staff Sergeant Boettcher, Herman the German, we called him, a 145-pounder soaking wet who took over the platoon when his lieutenant became a casualty.

Herman, a native of Germany and a fighter on Franco's side in the Spanish Civil War, roused his men to a fever pitch one day, and in a melee of grenade throwing and bayonet work, split the defending Japs and worked a small bridgehead out of the swamp up through to the beach. He and his few GI's held the precarious position until reinforced by other elements of the battalion.

For this Herman was awarded the second highest medal the Army can bestow, the Distinguished Service Cross, and promoted directly from staff sergeant to captain.

He continued with the division up Dutch New Guinea into the Philippines, where he was killed north of Limon on Leyte when his reconnaissance company was hit in a night attack.

Herman was a real man. His exploits were duly recorded and noted and are even today cited as examples of outstanding leadership at Ft. Benning, Ga., where officer candidates and new Army officers obtain their first taste of life in the Infantry.

We got to know Herman pretty well before he died. His ambition after the war was to marry an old sweetheart in Australia, settle down there and raise cattle.

On the other side of the coin was Staff Sergeant Robert Thompson. Thompson, we never knew too well during the days in Australia and later, Buna. He, too, was a hell of a fighter and all man.

A quiet, pipe smoker, Thompson had fought with the Loyalists in Spain and knew the ways of battle. When his company commander and other company officers became casualties, Sgt. Thompson took over and led Co. C skillfully through some tough fighting.

As did Boettcher, Thompson received the Distinguished Service Cross and was recommended for battlefield promotion from sergeant to captain. He received the medal, as we heard later, but was evacuated for malaria before being promoted.

That was the last we heard of Thompson until 1950.

He evidently didn't get the promotion, for that year he made headlines in a big way and there was never mention of his having been an Army officer—only that he had been decorated for bravery.

For you see—Robert Thompson was arrested and indicted as one of the 11 top communists in this country as secretary of the party in New York.

The 11 were sentenced to 10 years imprisonment, and Thompson's was reduced to five because of his war record.

But Thompson wasn't having any. While out on bail he and several others skipped bond. We did our bit and supplied the FBI with a roster of officers and men in the First Battalion, 127th Inf., during and after Buna in the hopes they could run him down through an acquaintance.

Or, figured the FBI, he might have mentioned postwar dreams to a buddy during an Army bull session. They wondered if perhaps he

might have cherished thought of someday returning to Australia.

We do know they circulated wanted posters to every drug store in this country, knowing that Thompson, once a malaria victim, might have a recurrence and seek relief through medication.

As the FBI invariably does, agents tracked him down, in a hideout in the California mountains three years later.

The judge tacked a few years onto his original five year sentence and he now languishes in Atlanta. That is the story of two—with similar backgrounds, similar abilities, similar exploits in battle, similar decorations and recognition from their government.

One wanted nothing more than to settle down quietly raising cattle and kids.

The other wanted nothing more than to bundle up America and give it to the Russians.

Why?

The meanest trick of all is to mark a paragraph that means absolutely nothing and leave it lying around for the wife to puzzle over. —Advance, Algona, Iowa.

County Completes Mapping Entire Area

New basic county maps recently completed by the Map Department of Lake County shows all streets, roads, rivers, lakes and major tributaries draining to the Fox and Des Plaines river basins, according to G. M. Dixon, department superintendent.

Also included are section lines, quarter section lines and respec-

live section numbers, as well as street and road names.

The reproductions will serve as base maps for delineating precinct boundaries, taxing and zoning districts, or any other governmental use where maps are employed.

Leukemia Society Seeks Volunteers

Telephones are ringing throughout the Greater Chicago area this week as members of the Leukemia Society, Inc., call on friends and neighbors to act as volunteers in the Sept. 10 to Oct. 14 appeal of the Society's Greater Chicago Chapter.

William Levenson, national representative for the Society, said it hopes to recruit some 15,000 volunteers for the area that includes Chicago, plus communities in Cook, DuPage, Kane, Lake and Will counties.

The Leukemia Society is the only

national voluntary agency concentrating all its efforts in the battle against leukemia, a disease of the blood-making organs.

Medical findings indicate that leukemia kills one American every 45 minutes, Levenson pointed out. No cures from leukemia have ever been recorded.

Funds collected by the Society's annual appeal will be used in hospitals throughout the U. S. and in other countries, benefiting from LSI support—and for medical scholarships, as well as for community programs that assist victims of the disease and their families.

The Society's campaign headquarters is at 55 East Washington.

Landscaping Exhibit New Museum Feature

"Area and Community Landscaping," an exhibit prepared under the direction of Dr. Bryan Hackett, chairman of the Department of City Planning and Landscape Architecture of the University of Illinois, opened at the Museum of Science and Industry on Monday of this week.

The display, presented in eight sections, has been especially designed to awaken a wider public consciousness of the landscape needs associated with various land uses, a matter of constantly growing importance in this day of rapid-fire regional and community development.

It demonstrates how imperative it is that large scale developments, involving man-made changes to natural landscaping, be achieved without upsetting the stability of the native environments of the areas affected. Similarly, it shows the dangers possible when man, in planning, ignores or opposes natural evolution.

The exhibition also shows that nature's own landscape can best be made to serve many purposes, such as recreation, water conservation and the other needs of modern living, only when due attention is paid to the soil, rocks and vegetation of the area involved, and to their complex interrelationships.

The exhibit is based on the findings of Illinois researchers in studies conducted along the Sangamon River watershed.

The human mind is a wonderful device. It starts working the minute you are born and never stops until you first stand up to make a speech.—Times, Roanoke, Va.

\$572 Contributed To Easter Fund by Antioch Residents

Contributions totaling \$572.00 were collected in Antioch Township during the annual Easter Seal Campaign of the Lake County Easter Seal Society, according to a report released by J. N. Van Cleave, 1961 campaign chairman.

A door-to-door Easter Parade by 35 Antioch area women headed by Mrs. Lorraine Huml, of Bluff Dr., collected \$370.00 on the one-day drive last March, according to Van Cleave.

The other \$2 contribution was mailed in to the Easter Seal Society headquarters, according to the report on the fund-raising activity.

The total amount collected during the March campaign in Lake County was \$16,910.34 of which approximately 85 percent will remain in the county for the operation of the Lake County Center for Rehabilitation, 709 North Ave., Waukegan, including home therapy programs carried on by the Rehabilitation Center staff of trained therapists.

A door to door campaign was used for the first time by the Easter Seal Society in Lake County with nearly 2,000 volunteer workers covering the county on March 19 and collecting \$8,297.38.

A reduced mail campaign, formerly the bulwark of the fund raising program for the Lake County Easter Seal Society for Crippled Children and Adults, resulted in a return of \$7,919.16, according to Van Cleave's report.

The Easter Seal campaign fell short of the \$30,000 goal, but a continuing campaign by a special gifts committee headed by Hyman Porett of Waukegan has raised additional funds for the purchase of special equipment for the rehabilitation center.

Included in the special gifts was a \$4,422 contribution to the Society by the Lake County Bowling Association and the Waukegan Women's Bowling Association.

In commenting on the drive Van Cleave said, "We are deeply grateful to the hundreds of volunteer workers who contributed time and effort in this campaign and to the people who so generously contributed to the project."

Van Cleave pointed out that special gifts earmarked for equipment purchase remain in Lake County.

State Cracks Down On Errant Drivers

An Antioch driver was among 39 Lake Countians hit in the latest crackdown action by the Drivers License Division under Secretary of State Charles F. Carpenter.

The driver's license of Richard Cichocki, RR 2, was suspended for three violations.

In the same action, the division announced the revocation of the license of Charles Foy, RR 3, Venetian Village, for driving while intoxicated.

Robert J. Gorman, RR 1, Lake Villa, was issued a probationary permit by the division.

Library Is Rich Source of Boy Scout Data Through Merit Badge Books

Boy Scouts of this area are exceptionally fortunate to have access to a large collection of hard bound Merit Badge books at the Antioch Township Library, according to Marian Harden, librarian.

Mrs. Herbert Prange has established a collection of 46 Merit Badge books in memory of her son, Eugene, who was an active member of the local Scout movement.

Eugene, a student at Montana University, was last seen Sept. 10, 1958, after telling friends that he and his dog, Queenie, expected to be gone for a few days searching for mountain goats. The dog was found 10 days later, but no trace of the student was found.

Boy Scout Troop 91 made it possible for the library to purchase 24 more Merit Badge books. This collection is available at the library in memory of Stephen Kiefer, who was killed in a traffic accident.

The Merit Badge books form a basic, informational library which will enrich the library's collection, making a ready reference, not only for Boy Scouts, but for all users of the library.

"The Great Sea War" was prepared by E. B. Potter and Fleet Admiral Chester W. Nimitz, with a staff of historians at the U. S. Naval Academy. All of the accounts have been read and authenticated by the actual participants in the various naval actions of World War II. This dramatic narrative of the sea war against Germany and Japan was presented to the library in memory of Richard B. Seyfarth.

"The American Heritage Picture History of the Civil War" is a big book. It is big in many ways. It

has big pages filled with big pictures—and what wonderful pictures! To browse through this beautiful book is to be carried back a hundred years to the days of that momentous struggle. This is a book for both the scholar and for the more casual reader. "The Civil War" was given in memory of Mrs. Laura M. Chapp.

Gifts to the Building Fund have been received in memory of Eugene Runyard and Mrs. Oliver Mathews.

Horse Show Entries In Kenosha Fair Indicate Full Field

WILMOT, Wis.—Entries arriving for the Junior Horse Show, scheduled as one of the many highlight attractions of the 41st annual Kenosha County Fair, Aug. 10-13, indicate that this popular event will be bigger and better than last year's, according to Miss Grace Carey and Russell Olson, co-chairman of the event.

The horse show will be held Sunday, Aug. 13, beginning at 3 p.m.

The resumption of the horse show program began last year, and was developed by the association's board of directors in recognition of the increasing demand for such events. The show will be held on the fair grounds and is arranged in four classes for riders 21 years and under.

Pleasure horses, western or English, will be shown at three gait with the judging based on appearance, manners and conformation,

and entries will be rated equally on the showing of horse and rider.

The second, in the high age class group will be a trotting race for horses and ponies with entries handicapped in given distance on the basis of size. The ponies in harness class and a barrel race class will complete the program.

During the intermission, a 100-pound greased pig will be given to any 4-H boy between 12 and 16 years who manages to catch and hold the animal.

Paging All You Green Thumbers — It's Flower, Garden Show Time

By Mrs. Bernice Bernan
Do you enjoy flowers or the flowing natural beauty of a well landscaped lawn? Have you ever entered an arrangement in a flower show? Or won a blue ribbon for your efforts? Or had the enjoyment and pride of entering your own handiwork?

No matter your answer, if you're a green thumb, you belong in the Fifth Annual Flower Show of the Lindenhurst Garden Club, according to club officials.

The club will present its annual show Saturday from 1 to 5 p. m. at the B. J. Hooper School on Sand Lake Road, and it's come one, come

all, for both exhibitors and spectators. Theme of this year's show is "Four Seasons in Song." Flower arrangements will be judged in the four seasons. Typical is the "Winter Wonderland"—an arrangement of dried and/or fresh materials using a woodland animal. In the horticultural division, all floral specimens must be grown by

the exhibitor and may be as modest as but one flower with foliage attached.

Copies of the schedule of exhibiting may be obtained at Steve's Garden Center, Antioch, Reed Hills Florist, Grayslake, and the variety store and library in Lake Villa.

Further details on attending and exhibiting from Mrs. Andrew Westberg, Elliot 6-5333.

Census Bureau to Collect Employment Information

Information to be used in compiling figures on employment and unemployment will be collected locally during the week of August 14 in the Current Population Survey, it was announced today by Director Theodore F. Olson of the U. S. Census Bureau's regional office at Chicago.

The information collected from local families will be combined with that collected in 32 other areas of the country to provide the national estimates. Approximately 35,000 households are included each month in the Current Population Survey. These households are selected at random under the Census Bureau's scientific sampling program to provide a representative cross-section of all classes of the population, and all types of areas in the country—large cities, small towns, rural areas, etc.

Facts on employment and unem-

ployment collected locally are forwarded to Census Bureau headquarters in Washington to be processed by the Bureau's electronic computer, known as Univac, to provide the national estimates. The national report covering the information collected during the week of August 14 will be issued in Washington early in September.

Current Population Survey information will be collected from a number of local families by qualified Census employees.

She was a member of the Kewanee Royal Neighbor Lodge. Her husband, William Taylor Milligan, died in 1918.

She is survived by two sons, Dr. Kenneth W., of Dixon, Mo., and Dr. James J., of Stanberry, Mo.; two daughters, Mrs. Lois M. Kerry, Lake Villa, and Mrs. Margaret A. Simpson, Kewanee; a brother, William R. Melike, Kewanee; a sister, Mrs. Florence Nelson, Los Angeles, Cal.; six grandchildren and 11 great-grandchildren.

Reimer Wins Car Feature At Speedway

John Reimer, of Caledonia, won his first Waukegan feature of the season in beating out favorite two time winner in a rough and tumble battle. The win moved Reimer from fifth to fourth spot in the season point standing for the modified stocks. He now has 1610 points.

Reimer, who had earlier posted the third fastest qualifying time of the night, was positioned third car from the back as the event got the green flag. By the sixth lap he had moved up considerably but at this point the event was halted when the track became totally blocked in a multi-car pileup that involved all but three of the starting field. Frost had been tapped from behind by Jack Radtke of Graylake as the two were running in second and third spots. The two spun out and went into the infield.

After the restart Frost moved into first place from leader Frank Eisenzoph, of Milwaukee, when on the ninth lap, Radtke again got into trouble as he rode wide on the turn, bounded over the wheels of a car ahead of him and rolled over onto his roof, blocking the middle of the south turn in doing so. Another restart and by the 15th lap, Reimer moved into the lead from Frost and held it for the rest of the distance. Frost finished second with the evening's fast qualifier, Greg Krieger, Milwaukee, taking third. Eleven cars of the original 18 starters finished the distance.

Paul Coen, Milwaukee, was again a sport as he relinquished his car which he had qualified for the feature, to point leader Ted Rozinski, of West Allis, whose own car suffered damage in a heat race accident. Rozinski drove the car to eighth place in the feature and maintained his point lead with a 1915 total, 70 points ahead of second place Bill Strom and 80 ahead of third place Frost.

An early challenger in the race was West Allis' Don Sorce, who was forced out while running second when a stone from the track came up and got stuck under his gas pedal.

Rozinski wrecked his car in the fourth heat when Bill Shoulders of Waukegan spun out, and was hit head-on by Barrington's Ken Heiden, who was unfortunately sandwiched in between Shoulders and Rozinski, who piled into Heiden's car from behind.

The amateur drivers were out in full force and two drivers escaped injury when their cars took violent spills. Gene Southern, of Waukegan, flipped his car on the first turn of the first lap as he was leading the pack. Mike Wolff, Lake Villa, overturned his car two complete times a few laps later in another collision. Jim Newland of Libertyville went on to win the race at an average speed of 38.76 mph.

The mud race was again a comedy of errors and the survivor of the melee was Butch Anderson, who finished ahead of Gurnee's Don Miller.

Rabies Reports Nil In Lake County; Threat Remains

Rabies, the deadly mad dog disease, continues to be a public health threat in Illinois despite the apparent success of the state's seven-year-old anti-rabies law.

State health laboratories have examined the heads of 1,205 animals suspected of having the disease and found 71 of them positive.

Lake county health officials, however, reported that no cases of rabid animals have been found. Health Educator Harry Bostick of the Lake County Health Office said that his office has examined about 75-100 animal heads since January and has not found a single case of rabies.

Among animals examined for the disease, squirrels are the most predominant in the number of bites recorded. Dogs also rank high as a potential disease carrier, but because of 10-day quarantine methods of checking dogs, very few dog heads are sent to the state laboratories.

If the dog dies within the 10-day period, the head is then examined. However, if the animal inflicting the wound is not found, the bitten person must undergo the Pasteur anti-rabies treatments—usually consisting of 14 painful doses.

Once the symptoms of rabies appear in man, he dies. At this stage, there is no known cure for the disease, a virus which attacks the central nervous system.

Dr. L. J. McClure, Gurnee, county rabies inspector, reported that his office receives about 1,000-1,200 bite reports each year.

The state legislature adopted a preventive program requiring dog owners to license and vaccinate their pets and of impounding and destroying stray, unclaimed dogs.

Under the law, each county board must establish a rabies inspector to supervise these activities and to charge for inoculations whatever is needed to support the program.

CHANNEL LAKE — William Chase was installed as commander of American Legion Post 745 of Antioch, and Mrs. Thomas Chase as second vice president of the Auxiliary, at joint installation ceremonies at the Legion Hall on August 3. Mrs. Thomas Chase was secretary of the Auxiliary last year and Mrs. William Chase was the outgoing president.

Ensign Bert Peck has been visiting at the home of his parents, Mr. and Mrs. Peter Peck, of Channel Lake, and his sister, Mrs. Mary McCarthy, for the last week. Ensign Peck, a member of the submarine service, has served 14 years in the Navy and is stationed at Pearl Harbor. It had been five years since he had visited his parents and seven years since he had seen his sisters and their families. He left the home of his parents Aug. 7 to spend several days with a sister, Mrs. Estelle Hall of Meadowdale, before leaving for Newport, R. I., for special training.

When he returns to Hawaii he will be operations officer aboard the Bashaw. Ensign Peck's wife and three children remained in Hawaii during his trip.

Elmer Eberman and son, Roger, drove to New York to the Merchant Marine Academy last week to pick up "Chip," who is home for about a month before leaving for a six months' tour of duty. They arrived home Saturday, bringing along a couple of other cadets from the academy who live in the area.

The Happy Eight Club met at the home of Mrs. Rose Hess last Thursday. Present were Theresa Kranz, Marge Weiss, Jane Frey, Dolly Spiering, Marie Sima, Julia Schmitt and Ogot Hennig.

Andrew Stewart, Grapevine Ave., is at home and feeling better after being hospitalized.

The Runyard family is planning their family re-union this year for Aug. 13. It will be held at the home of Bob and Eleanor Runyard, of Richmond.

A reunion of the Pflaum family was held at the home of Mr. and Mrs. Elmer Eberman on Sunday, July 30. Forty-eight members of the family were present, comprising four generations. The eldest was Mrs. Eberman's uncle, Ben Pflaum, from Algonquin, and the youngest, Timmy Pflaum. This was the first reunion the family had held in 10 years.

Mrs. Robert Schuberg and her three children, John, Jill and Mary, traveled the greatest distance, in coming from Portland, Ore.

The day was spent by the guests in boating, swimming and "gabling." A pot-luck picnic dinner was served.

Our apologies to young Kevin Saubert. We forgot to include his name in the list of party guests at Margie Scanlan's birthday party.

"Bud" Van Patten and Vivian Flegel both celebrated their birthdays on Aug. 4.

The three children of Fred Thies, Jr., Jonathan and Jeffrey, twins, and Patty, spent last week with their grandmother, Mrs. Fred Thies, Sr., of Woodcrest Subdivision.

Lake Waters Remain Good, Tests Show

The general quality of lake water in Lake County remains good, according to tests conducted through a system of water collecting stations and analyzed by the Lake County Health Department.

The program of sampling is being conducted through the cooperation of the Lake County Federation of Improvement Associations and affiliated associations, the Northern Illinois Conservation Club, the McHenry County Clean Streams Committee and individual citizens.

Stations being manned by the Federation and associated organizations include: five at Long Lake submitted by Mrs. Axel Flojer; three at Wooster Lake by Lelf Grude; two at Duck Lake by Weber E. Rau; two at Deep Lake and one at Crooked Lake by Frank Splichal; two at Sand Lake by David Kulken; one at Lake Gerilyn. Thirteen samples were taken in Fox Lake, Petite Lake, Grass Lake, Nippersink, Meyers Bay, Matthew Lake and Red Head Lake by Mrs. George Chonis.

Richard Waters, Antioch, president of the Northern Illinois Conservation Club, collected 13 samples, including those from the Fox River near the Rt. 173 bridge, Lake Catherine, Channel Lake, Lake Marie, Bluff Lake, connecting channel between Bluff and Petite Lakes and Grass Lake.

Charles Mapletorpe, Antioch, is sampling Cross Lake. Stations on Round Lake and Cedar Lake are being manned by R. Hamilton and W. Thompson, respectively. The Loon Lake Station is being manned by E. Drisch.

In addition, the McHenry Clean Streams Committee is cooperating in the sampling program through its chairman, Dr. James R. McMahon, who sampled areas on the Fox River and Pistakee Bay.

Under the program samples are taken from lakes and streams in one-third of Lake County each week. Sampling is done by volunteers, who in turn send them to the department for testing.

4-H Groups Hold Achievement Nite Review Program

By Mrs. Bernice Bernau LINDENHURST — Achievement Night for the Lindenhurst Daisies, Seniors and Juniors, was held the evening of Aug. 2 at the home of Mrs. Lorraine Lewis, 222 Valley Drive.

Mrs. Andrew Westberg, leader of the group welcomed the mothers and gave a short talk recalling the early days of the group. She then introduced the mistress of ceremonies, Alice Bechtol. The girls and their mothers recited the 4-H Club pledge and creed, led by Pat Lohrillo.

Marianne Smith introduced the girls, each modeling a skirt or dress of her own design and make. All had been entered in the Farm Bureau 4-H Fashion Show.

Toni Meier gave a demonstration on sewing seams; Barbara Warchal demonstrated how to fold and knead bread. Sandra Hertel gave a talk and demonstration on first aid, and was assisted by Kathy Guzski, who demonstrated the use of a tourniquet.

A talk on flower arranging was given and demonstrated by Marianne Smith and Alice Bechtol. Marianne told of making an attractive flower arrangement using a plastic relish dish. She cautioned not to use a too-fancy vase as it detracts from the beauty of the flowers.

Loren Lee Lewis discussed the 4-H Camp and activities during the encampment. Carolyn Westberg was to give a talk about 4-H Leadership Camp but she was absent because of illness.

Mrs. Lewis presented Mrs. Westberg with an apron and several dollars, attached, a gift from the girls, in appreciation for all her work over the past year.

Mrs. Westberg then closed the program with a short talk and announced that next year's "Achievement Night" would be held three weeks before judging so that the girls will be sure and be ready in time for the show at the Farm Bureau. Older girls will meet in their homes next year and each girl must make three garments to be eligible for membership in the group.

Junior leaders, who are at least 15 years old and have been in 4-H at least three years, are needed, it was pointed out.

Mrs. Lewis and Mrs. Bywell were presented with appreciation gifts from the girls.

Ribbons received for participation in the "Share the Fun" Festival in Gurnee were distributed, as were the green and blue ribbons received for the skirt or dresses made.

The young ladies in the Daisies Seniors are: Marianne Smith, Loren Lee Lewis, Pat Lohrillo, Barbara Warchal, Toni Meier, Alice Bechtol, and Carolyn Westberg.

In the Daisies Juniors, first year girls are: Linda Bywell, Carol La Barbers, Maxine Shutts, Debbie Mertes, Jean Bywell, Amy Mindak, Grace Lopresto and Linda Lloyd.

Second year girls are Kathy Mertes, Linda Matthies, Kathy Guzski, Donna Maxwell and Dolores Zanzola.

Third year girls are Judy Speigl, Beverly Bybee, Sandra Hertel and Armell Sheppard.

Refreshments served were made by the girls, and consisted of brownies, bread and several kinds of coffee cake.

LINDENHURST — The Lindenhurst Women's Club will hold a card party at 8 p.m. tonight (Thursday) for the benefit of the Countryside Hospital, at the B. J. Hooper School on Sand Lake Road. This will be in place of the regular meeting. Prizes will be awarded and refreshments served.

The Lindenhurst Junior Police Club will meet at 7 p.m. Tuesday, Aug. 15, at the B. J. Hooper School. A movie entitled, "Way of Life and Snakes" will be shown, put out by the Department of Conservation. Following the movie a representative of the police department will

demonstrate how finger prints are taken.

Deputy Sheriff Boyd Dutcher, his wife, Nancy, and children, Dawn, David and Donald, of Maplewood Drive, have just returned after a ten day vacation at Mount Rushmore, the Bad Lands and the Black Hills of South Dakota. In Rapid City, they saw six different types of dinosaurs made of concrete. They spent a night in Rochester, Minn., and stopped at the Wisconsin Dells on the way home. The children had their pictures taken with an Indian, who was dressed in full Indian attire.

Sunday, Donald celebrated his first birthday. His grandparents, Mr. and Mrs. Boyd Dutcher, Sr., of Westchester, attended the party. Monday morning Boyd and his father went fishing in Cranberry

Lake in Hainesville. Five hours later they had caught 10 bass, one of which weighed 3 1/2 pounds.

The senior Dutchers are leaving Wednesday for their vacation in Duluth.

Mr. and Mrs. Tony Romano returned last week from a 10-day vacation; they visited Colorado Springs, Estes Park and Denver. Their children, Rose-Mary and Gary accompanied them. Tony is manager of the Cubs, first place team, in the Lake Villa Township Junior Baseball League.

Mr. and Mrs. Byron Boren welcomed a daughter, Barbara Ann, July 28 at Victory Memorial Hospital. The little Miss weighed 7 pounds, 13 ounces.

Mr. and Mrs. Donald Bogda had a busy weekend. Saturday morning, they attended a Hawaiian Luau, given by Wally and Shirley Much-

lenfelder and Fred and Norrita Muchlenfelder of Ingleside.

Twenty-five couples danced to a three piece orchestra, and swam in the swimming pool which was decorated with roses, carnations and palm leaves. Chinese lanterns and revolving lights added to the atmosphere.

All the couples were costumed accordingly. Carol wore a grass skirt over her bathing suit and Don was dressed as a beachcomber.

Some of the delicacies served were ham, shish kabob, crabmeat, smoked fish, wild rice and fruit, buffet style.

Sunday, the Bogdas went boating with their friends Grace and Ed Bauschke of Chicago, in the Chain of Lakes.

Carol's mother and father, Mr. and Mrs. Carsten Hansen, of Chicago, spent Sunday night with them.

The Hansens just returned from Canada where they visited Mrs. Hansen's brother.

Warren and Dee Flint, Lou and Bert Herceg, Jim and Babe Hartwig, Barry and Phyllis Kleban and Jack and Dorothy Thompson spent Saturday evening at the Como Club in Milwaukee. Babe's cousin, Nick DiCristo, and his wife, Elaine, are entertainers there. Nick accompanies himself on the guitar while he sings.

Later they visited the Italian Village, also in Milwaukee, where they ate pizza and danced.

Don't forget to donate your old newspapers to the Lindenhurst Junior Police paper drive. They must be picked up by Saturday morning.

Accordingly, the commission plans a meeting in the near future with representatives of all municipalities in the county, along with various state and county officials to chart a course of action in an effort to reduce traffic accidents.

The commission is promoting the use of safety belts as one means of curbing fatalities.

Ladies Game to Top Little League Fun Day

Wild Day Of Baseball Is Forecast

Powder, lipstick and other tools of the "weaker sex" will compete with bat, ball and glove here Sunday when mothers, grandmothers and sweethearts of Little League members take over the diamond in a contest of skill and chance.

The game will follow a Little League Tournament game at the local diamond Sunday afternoon and will climax the annual Little League Fun Day.

Each team will be managed by regular Little League manager with a few spares available in case of ladylike disputes.

As Little League rules make no provision for special uniforms for such occasions and as it is doubtful that mom could slip her neat size 12 into junior's baseball togs, the uniform of the day will be what the ladies make it—bikinis excepted. Coaches at first and third will be equipped with sewing kits to handle any emergencies wrought by wild base running.

Starting lineups will be selected from the following: Jean Williams, Betty Christensen, Jean DeBoer, Bada Druce, Una Fox, Ellen Badame, Anne Stickler, Corrine Carlucci, Dorothy Nelson, Agnes Ferris, Charlotte Rudolph, Lorraine Lemke, Jeanette Wilson, Jean Rockow, Lorraine Blackman, Jean Frank, Phyllis Drije, Marge Schneider, Shirley Carlson, Ellen Ryan, Helen Kopriva, Pat Sterbenz, Harriette Albano, and the Mesdames Beager, Bode, Gordon, Wegner, Knutsen, Doolittle, Horton, Jarvis, Mollini, Delaney, Shelby and Gras.

Winding up the afternoon's activities will be a game composed of fathers and managers of little leaguers.

The game will be managed by Little League players who thus will place managers and parents on the receiving end for a change.

Teams will be composed of the following fathers and managers: Larry Ryan, Bob Gross, Bob Straub, Jerry Rockow, Dave Brantner, George Sterbenz, Lyle Wilson, Gordon Volting, Dr. Carlucci, Warren Polley, Gene Dotson, Ray Westhoff, Joe Comstock, Cliff Larson, Bill Shelby, Milt Simon, Red Nielsen, Ed DeBoer, Nick Badame, William Lemke and Don Graham.

The Little League game at 1:30 p.m. will start off the afternoon's activities. There will be no admission. The public is invited.

Ex-Paratrooper New Grid Coach At Warren High

Tuenis O. Tait, former head football and track coach at Sigourney, Ia., has been named varsity football coach at Warren High School. He succeeds Mark Johnson, who resigned recently to accept a post on the Lake Park staff at Medinah, in the Tri-County Conference.

Tait, a World War II veteran, who served as a paratrooper in Europe, was at Sigourney for five years, and prior to that had coached at three other Iowa high schools—Grand River, Knoxville and Anita.

He is a native of Kingston, Ontario, Canada, and graduated from Iowa State Teachers College. He holds a master's degree in physical education from Colorado College of Education.

During his coaching career, Tait's teams have maintained a better than .500 average and he has had success in developing a number of all-conference performers.

He will actively begin his coaching chores at Warren when grid prospects report to the high school for physicals Aug. 23, starting at 9 a.m.

JUNIOR SUMMER bowling champs and trophies, awarded in special meeting last Sunday. Bottom row - left to right - Phil Maplethorpe, Bill Wilson (sponsor), and Lorrie Lewis. Top row - Jerry Berke, Bob Mozal and Bob Lenczewski.

CAPT. BOB LENCZEWSKI of the champion Wilson's Laundromat bowling team presents the winning trophy to sponsor Bill Wilson. Presentation was made Sunday at awards observance at Antioch Bowl.

Honors Go to Wilson's At Bowling Award Dinner

Junior bowling formally bowed out for the summer season Sunday with a dinner and award of trophies. Sharing the limelight were Wilson's Laundromat, who closed out a near-perfect season by winning its last 20 games to take the title, and individual players cited for outstanding play.

Sponsor Bill Wilson feted his winning team at a Sunday dinner at Lorenz' Smart Country House after which bowlers adjourned to the Antioch Bowl for award presentation.

Wilson was presented with the winner's trophy by team captain Bob Lenczewski.

Casey Lenczewski, secretary of the league, made the following presentations: Bob Lenczewski, Jerry Berke, Phil Maplethorpe, Lorrie Lewis and Bob Mozal, members of the team; high boy's game to Jerry Berke; most improved to Phil Maplethorpe; highest series (609) to Bob Lenczewski; high girl's game to Barbara Casella of the First National Bank team.

Mrs. Vivian Maplethorpe, score keeper for the Wilson champs, was hospitalized and unable to attend the affair. She was hostess to the

team at a dinner in her home Aug. 1. Jack Sampayo, proprietor, concluded the program Sunday thanking bowlers for their participation and cooperation.

Expect Later Deer Season To Boost Kill

In an effort to promote greater hunting success, the State Conservation Department has scheduled the 1961 shotgun deer hunting season for Dec. 1-3.

"We've got to kill more deer in Illinois," said Assistant Conservation Director Lew Martin. Less foliage and the possibility of snow for tracking purposes should be a boon to the hunters, Martin said.

In recent years, the department was required by law to set the annual three-day hunting season either in late October or early November. But deer have become so plentiful that the legislature amended the law to permit a later season.

The department again this year will issue about 15,000 shotgun deer hunting permits for 47 counties.

Hunting quotas for six counties already have been filled. They are Ogles, Pope, Hamilton, Hardin, Jo Daviess and Gallatin.

Martin said quotas are high in Winnebago, Union, Jackson, Carroll and Johnson counties but the demand for permits to hunt in those counties has been low.

Last year, the estimated 15,000 shotgun hunters bagged about 2,500 deer. Bow hunters killed about 200 more. Bow hunters this year will be permitted to hunt from Dec. 4 through Dec. 31.

Twin Bill Set For Lake Villa Jr. League Sunday

By Mrs. Bernice Bernau

A double-header is on tap for junior baseballers Sunday at the Lake Villa field.

The first-place team will meet the second-place team starting at 12:30 p.m., and the third-place team will meet the fourth-place team in the second game starting at 2 p.m.

In recent games, the Sox defeated the Dodgers 12-9; the Pirates nudged the Braves 6-5 in a continuation of a game called several weeks ago because of the heat; the Cubs blanked the Yanks 6-0, and the Braves swamped the Sox 24-1.

Games this week pit the Sox against the Cubs, with the fifth place team scheduled to meet the sixth place team on Saturday.

Top Amateur Drivers To Compete in Benefit

The nation's top amateur sports car racing drivers will compete in the Bill Behanna Memorial Sports Car Race at the Wilmot, Wis., road racing course, Aug. 26-27.

The racing will be for the benefit of the Illinois Epilepsy League, it was announced this week by John L. Vollbrecht, race benefit chairman.

As a kick-off to the affair, the board of directors of the Illinois Epilepsy League met with 25 top amateur drivers, editors and others interested in the coming event at 12 noon today for luncheon at the Racquet Club in Chicago.

Pinspotter's League To Organize Tonight

Women's bowling activities will get under way tonight at 7:30 when members of the "Pinspotter's" League meet in their first organizational meeting of the season.

Bowlers interested in joining the league are urged to contact Thelma Keulman, Antioch 248, if unable to attend the meeting. The group will bowl on Fridays at 6:45 p.m.

Tonight's meeting will be held at 7:30 p.m. at the Antioch Bowl.

Famed Road America '500' To Attract Top Sport Drivers

Confirmation of the weekend Sept. 9-10 for the fifth running of the now-classic Road America "500" was announced today by President Cliff Tuft with the national sanction of the Sports Car Club of America.

The 500-mile feature event is slated for Sunday, Sept. 10, and will again be preceded by a series of races of shorter duration. These sprint races for various classes of modifieds and production cars will be held on Saturday, Sept. 9, leaving the following day the exclusive property of the "500" alone—as in the past.

Friday, Sept. 8, will be set aside for registration and safety inspection and more than four hours of practice. Additional practice time will be allotted on Saturday morning.

Tentative plans call for production cars of classes B, C, D, E, F, G, and H and the light modified cars of H-class to race on Saturday in three events of from 20 to 25 laps (80 or 100 miles) each. In addition, the steadily-growing field of Formula Junior racing machines will be given a race of similar distance on Saturday to make for a highly-varied program.

Sunday's 500-miler will get under way at 10:30 a.m.

Honorary chairman of the event for the S.C.C.A. Chicago Region is Robert Liess.

Defending "500" champions are Luke Stear and Dave Causey of Indiana, who last year won in a "birdcage" Maserati.

A full field of 60 cars is expected

to be on the starting grid for the 500-miler, while Saturday's full day of racing should attract nearly 200 other machines in the various production, modified, and formula classes.

Boating Bills Await Approval

Five bills designed to ease some problems of the pleasure boater, passed during the recent session of the state legislature await Governor Otto Kerner's signature. All bills are being supported by the Outboard Boating Club of America.

One of the more significant is Senate Bill 317 (introduced by Senators Robert McClory and Fred Hart) which tabs marine fuel taxes for the construction and maintenance of boating facilities throughout the state.

Under the law .003 per cent of the total gasoline tax collected in the state would be earmarked for such construction.

Another, House Bill 1099 (introduced by Rep. C. R. Ratcliffe), scraps a 1959 law allowing outboard motor owners to apply to the state for a certificate of title for a fee of \$1. The present law is not effective says OBC.

House Bill 424 (introduced by Rep. C. R. Ratcliffe) exempts boat trailers from a law requiring the name, address, and maximum empty vehicle weight to be printed on both sides of the trailer.

Racing boats or boats designed solely for racing are exempted from numbering requirements under provisions of House Bill 1100 which was also introduced by Rep. Ratcliffe.

The final boating bill awaiting signature calls for an annual \$3 fee for trailers of less than 2,000 pounds when empty instead of \$6 per annum fee for the same size trailer at present. This is Senate Bill 610 and was introduced by Senators Robert A. Welch and Lillian E. Schlagenhauf.

No-Hitter Concludes Play In Lakeland Little League

The Lakeland Little League concluded its season with a picnic and all-star game July 30 at the Fox River Park. A large crowd was in attendance as the American squad defeated the Nationals by a 6-0 score.

Three American pitchers combined to pitch a no-hit, no-run game. They were Jim Williams of the Yankees, George Sobotka of the Orioles, and Mike Vanderzee of the Yankees. In their combined effort they walked only two batters and hit one with a pitched ball and had 11 strikeouts. Each pitcher worked two innings with Sobotka getting the win.

Guy Flaschner of the White Sox and Allie Luke of the Yankees each had two hits for the Americans, with one of Flaschner's hits being

a long triple. Luke drove in two of the six runs with two singles.

Ronnie Rush also was a batting star for his squad with a two run homer in the fifth inning.

Jim Williams and Mike Vanderzee each had a single to round out their team's seven hit attack.

This concludes play for this season as both the Little and Minor Leagues have finished their schedule. In the Minor division the Bears and the Rams finished in a tie for the championship. The

Lions finished third and the Broncos were fourth.

Minor Standings		Won	Lost
Bears		8	4
Rams		8	4
Lions		5	7
Broncos		3	9

The league extended thanks to all who helped and supported the program this season.

The league expects to operate next year with the same six team Little League setup and four teams in the Minor division.

Fish Biting Well In Most Areas

Some good catches in Northern have been reported for Deep Lake, Loon Lake and Lake Catherine.

Blue gills are biting in 6-8 feet of water in most lakes on red worms, night crawlers and white miller fly. Crappie fishing has been holding up well in most lakes.

Catfish are being taken in the deeper waters of most lakes, with golden roach and suckers working well for this type of fishing.

Plan Salem Water Carnival

SALEM, Wis.—The third annual water carnival of the Paddock-Lake Association here will be held Saturday, August 19.

In announcing planning for the event, Rosemary L. Fox, secretary, reported the following events:

1—Parade on wheels—a division for children under 8 and a second for those 8 to 18. Judging will be on decorated bikes, wagons, scoot-

ers, buggies and anything on wheels, with the participant's imagination the only limitation.

2—Bathing beauty contest for girls 15-18, with a crown to the winner.

3—Games on the beach with silver dollars for winners and candy for all.

4—Skiing events, with a need for capacity entry of boats and skiers.

A surprise is promised each skier.

Additional data on the events can be obtained from Mr. Edwards VI, 3-123.

In other association activities, the group held a dance last Saturday in the clubhouse, and planning for the carnival was filmed Sunday at a meeting of the association board of directors.
